Subject: Democrats Seek Early Votes to Win Before Election Day

---

Fellow Conservatives:

They're voting in Iowa *right now!*

Early and absentee voting has started in Iowa and we've received reports that the Democrats are using their ground game to give Democrat **Bruce Braley** (D-IA) the lead in one of the most important Senate races in the country.

[That's why we need an emergency donation from you today to support Joni Ernst, the conservative candidate in Iowa's Senate race.](#)

There's only one way to slam the brakes on President Obama's agenda – fire Harry Reid and send a new generation of principled leaders to Washington.

**And the road to winning the U.S. Senate runs straight through Iowa.**

**Recent polls show that the Iowa Senate race is very close and will be decided by turnout.**

There isn't a race in the country where you can have a bigger impact than in Iowa so please support Joni Ernst right now.

Make no mistake, the Democrats are turning out their voters by the busload for Bruce Braley *at this very moment*.

Their strategy is simple.

They want to "bank" enough early votes for Braley *right now* so they can win the Iowa senate race *before* Election Day.

We can't let that happen.

We need to tell voters about Bruce Braley's liberal record. Braley voted for Obamacare, he voted for Obama's failed stimulus bill, he voted for the Wall Street bailout, he voted to increase the debt limit, he voted to raise taxes, and he voted for taxpayer-funded abortion.

**Please don't let this race slip away.**

**Please make a contribution to Joni Ernst's campaign today!**

*The Senate Conservatives Fund pays all processing fees so 100% of your donation to Joni Ernst goes directly to her campaign.*

Unlike other groups that claim to support candidates, SCF gives you a direct line to the candidates. You can donate directly to multiple candidates with one online transaction, and the candidates know your donation is coming from someone who wants them to fight for conservative principles.

Thanks to the support of people like you, SCF has already raised \$345,000 for Joni Ernst and spent \$320,000 on independent expenditures supporting her campaign -- ***a total investment of \$665,000!***

We only endorse select conservatives who seek our support. These candidates want SCF's endorsement because they know we're serious about raising funds for their campaigns. But we can't do it without you.

**Control of the Senate may come down to a few hundred votes in Iowa.**

With your help, we can beat Bruce Braley and deliver a devastating blow to President Obama's last two years in office.

**We're counting on your support.**

Sincerely,

Ken Cuccinelli II  
President, Senate Conservatives Fund  
Former Attorney General of Virginia
