**Faye Sikes** Would love to do that

at 0:46:29 on 12/15/2020 UTC

**Maryanne Geiersbach** I'll never know how everyone balances in those kayak's! Is there a secret to it?

at 19:33:08 on 12/15/2020 UTC

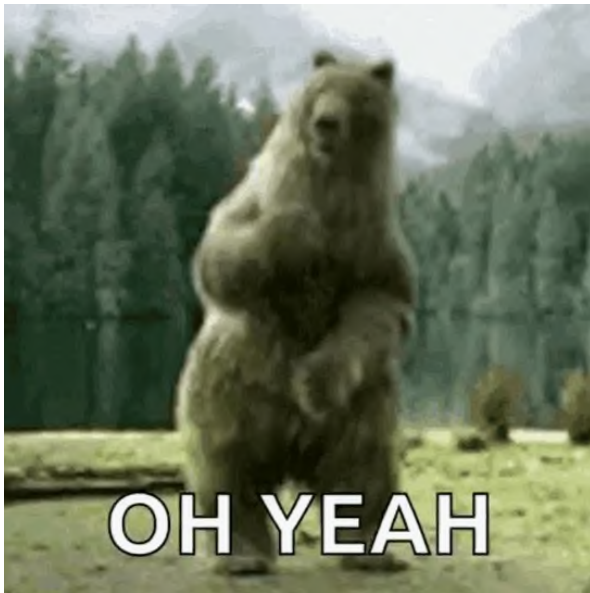

**Maryanne Geiersbach** Not that I would try it.

at 19:33:32 on 12/15/2020 UTC

**Bryan Henderson**

at 19:45:02 on 12/15/2020 UTC

**John Beam** Come on down.

at 0:00:20 on 12/16/2020 UTC

**Lisa Jester** Don't say that to the horse owners and Thoroughbred trainers who pump lifeblood into the SC economy...

at 13:39:04 on 12/16/2020 UTC

**Ruth Rosenthal** Yes, snapping turtles, copperheads, rattlers & alligators! Not for me!

at 14:07:15 on 12/16/2020 UTC

**Mark Griggs** Maryanne Geiersbach The first time I kayaked it was wobbly as all get out. The next time I went to a river and haven't noticed it since. I think you get the hang of it or something.

at 15:01:06 on 12/16/2020 UTC

**Bill Kea** You forgot water moccasins.

at 20:12:15 on 12/17/2020 UTC

**Ken Brown** State parks only benefit state governments. They are a racket!

at 20:23:05 on 12/17/2020 UTC

**Szabolcs Batizy** Not during skeeter season

at 21:53:04 on 12/17/2020 UTC

**Bob Mayer** Easier to balance than in a canoe. Your center of gravity is barely above the water line.

at 23:51:22 on 12/17/2020 UTC

**Joel Harmon** Ken Brown they benefit me when I'm in there cabin

at 0:44:17 on 12/18/2020 UTC

**Zory Morales** Fabiola

at 4:06:14 on 12/18/2020 UTC

**Markus Amoungus** Ken Brown would you prefer them privately owned so they can sell off chunks of land to developers?

at 10:17:32 on 12/18/2020 UTC

**Markus Amoungus** Lisa Jester Not everyone cares about horses.

**Ken Brown** Markus Amoungus Yes but of course. I did not say anything about ending wildlife refuges or national parks. State parks have become commercial enterprises and unfairly compete with private businesses. It is a racket. The taxpayers pay for the upkeep and employeeess and are still charged for using them.

at 10:19:02 on 12/18/2020 UTC

**Markus Amoungus** Ken Brown well that's just bullshit. then the best state parks would become HOA neighborhoods and no one would get to enjoy them but the snooty landowners.

at 10:19:56 on 12/18/2020 UTC (*hidden*)

**Ken Brown** Joel Harmon I think you mean their and not there. Typical!

at 10:20:08 on 12/18/2020 UTC

**Joel Harmon** Ken Brown spell check, maybe if I had a Obama phone like you it wouldn't happen

**Ken Brown** Joel Harmon You are kidding. I hate Obama and socialists. I don't support governments unfairly competing with private industry. That is socialism, duh! I hate the welfare state. I mean I hate it.....

**Anne Darnell** I volunteered at Aiken State Park for 2 long term stays as The Campground Host and helped Robert with cleaning the campground. I also painted all the signs marking directions and places. I also painted the Restrooms on the inside. Had the best time with all the locals that actually camped there. The park became a part of me. Y'all keep it beautiful because it is Nature's Own with some of everything to do.

at 15:41:52 on 12/18/2020 UTC

**Ruth Rosenthal** Well I was thinking they were same as copperheads, but u r probably right as I am almost 81 & forgetful. I hate Lake Murray where my parents used to live. Not only for its rocky muddy bottom but for all the critters in & around it. Daddy killed a lot of poisonous snakes there. They even saw a crocodile when they were fishing. NOT for me!

at 16:06:47 on 12/18/2020 UTC

**Lisa Jester** Markus Amoungus true, but when the equine industry contributes to a state economy, it deserves respect. That is inappropriate advertising. SC has too much to offer visitors, and we need the state funding, too much to offend any aspect of the positively contributing economy. As owners of a very large training stable of Thoroughbred racehorses, I'm offended. The citizens of the state should care about the sources of the money that funds our economy.

at 16:36:38 on 12/18/2020 UTC

**J.b. Bolton** Great. Having a lot of fun

at 21:16:57 on 12/18/2020 UTC

**Anne Pringle Nixon** Ken Brown why do you have so much HATE you must be a very unhappy person !

**Ken Brown** No hate here! I just don't like being abused or being taken advantage of by state governments. In fact, I worked hard for my money and don't like it when a state steals it via over taxation. States love to steal money from those who work it and give it to those who are too lazy to work.

at 22:18:10 on 12/18/2020 UTC

**Joel Harmon** I do too brother

at 23:27:25 on 12/18/2020 UTC

**Carol Mathews Armstong** Looks like fun!!!

at 0:14:25 on 12/19/2020 UTC

**Tek Kirby** Oh my Aiken has State Park where

at 2:26:32 on 12/19/2020 UTC

**Tek Kirby** Ken Brown .... your a moron yankee .. State Parks benefit South Carolinians and fees used to maintain them

at 2:28:41 on 12/19/2020 UTC

**Tek Kirby** Penny Lillies for the upkeep

**Ken Brown** First of all, I am not a Yankee! My family has been in the south since 1683! Park employees work for the state. Their retirements are paid for by the state as well as their salaries are guaranteed by the states even if they are poor performers or worthless. They don't have to compete with the private sector. You pay for them even if you don't use them. The employees get paid no matter what. The state governments make money off them via commercialization. You are a dumb ass and don't understand how it works. They unfairly compete with the private sector as they get paid no matter what via taxpayers. It is a racket. State parks don't have to compete because the taxpayers pay for them one way or another. They used to be a benefit, an asset, today they are liabilities. Your taxes are paying for them and yes they charge fees in addition to your tax dollars. It is a racket dumb ass!

at 2:50:01 on 12/19/2020 UTC *(hidden)*

**Jewel Howers** I take the horse.

at 4:23:56 on 12/19/2020 UTC

**Debra Boisvert** I definitely want to go kayaking!

at 11:52:35 on 12/19/2020 UTC

**Markus Amoungus** Lisa Jester You have the right to be offended. But saying "I'm offended" doesn't mean anyone has to change what they do. The statement carries zero weight. The ad says that "Thoroughbred country: way more than horses", trying to get people to understand even if you don't care about horses, there is plenty to do, in order to increase tourism. And that will help you, because people visiting the upstate will put more money into the places you live and raise horses.

at 13:02:03 on 12/19/2020 UTC

**Lin McKenney** Tara Elizabeth do they have good camping place?

at 14:12:31 on 12/19/2020 UTC

**Lisa Jester** Markus Amoungus it is a negative connotation toward the horse industry. Whoever developed the ad, used poor wording choice...

at 17:52:14 on 12/19/2020 UTC

**Markus Amoungus** Lisa Jester meh...

at 17:53:05 on 12/19/2020 UTC

**Lisa Jester** Markus Amoungus

at 18:02:23 on 12/19/2020 UTC
