Good morning Grant,

Hope you had a great New Years and are anxiously looking forward to the opportunities 2015 has to offer.

Quick question to follow up on the reappointment of John Armstrong as a GP member of the Board of Pyrotechnic Safety. As a reminder of the situation, Mr. Armstrong was accidently dropped from the Board when Josh Spencer was added. Spencer was to replace Lipscomb, not Armstrong.

Last I knew, Katie Philpott was working on the issue. Has there been any resolution on the reappointment as of yet.

Thanks,

Ray

Hi Katie,

It was a pleasure getting to talk with you today. I appreciate all of your help in getting the vacancies on our Pyro Board filled. It is great to be able to have a meeting with all 7 seats filled.

With regard to the question regarding Fire Service Member Larry H. Godfrey, the qualification of the member filling this seat, as prescribed by Section 40-56-10, is that the member "must be employed by a local fire authority". At the time of Mr. Godfrey's appointment, he was employed by the City of Greenville Fire Department as a Fire Marshal. Subsequent to his appointment, Mr. Godfrey retired from the Fire Department in October 2011, as evidenced by the below excerpt for the Division of Fire & Life Safety Fire Portal:

<image001.jpg>

In a telephone conversation on January 22, 2015, I asked Mr. Godfrey what he was doing now that he retired and his reply was that he was just working around the house "catching up" on deferred projects. As shown in the excerpt above, there has been no additional activity on his Portal account (in other words, he has not returned to the fire service since his retirement, even as a volunteer). A review of his Fire Marshal Certification in our licensing database shows that certification expired on 2012. The database also shows that Mr. Godfrey was a licensed Pyrotechnic Operator for Commercial Outdoor Displays, however, that license expired on March 31, 2012.

During his time as a member of the Board, there were no known problems with his actions, the only issue now is his failure to meet the statutory requirements of being "employed by a local fire authority".

Respectfully,

Ray

The second attachment is the Senate application. It is a total of 8 pages with one additional page of instructions. Please fill out all questions to the best of your ability. If the question does not apply to you, please write N/A or NO rather than leaving the question blank. This application requires that you include 5 letters of recommendation, including one from your bank. Please be sure to write out the names, addresses, and telephone numbers of the individuals who will be submitting letters on your behalf on the 7th page of the application. Also, do not forget to include your place of birth when answering question number 2.

The third attachment is the Senate Confidential Personal Financial Statement. This document is 3 pages long. Please be sure to complete this to the best of your ability and ensure that you sign and date the third page.

The last attachment is the State Ethics Commission Statement of Economic Interest Form. This document includes several pages of detailed instructions, but there are 4 total pages you will need to fill out. Please complete the paper version of this document even if you have filed your SEI online. For the question which asks for Date of Hire or Appointment, please just write 2015.

It would be best if you can scan and email me a copy of the completed forms as well as send the original in the mail to the address listed below in my signature block.

Feel free to call or email me with any questions you have as you go through this process. Thank you for your willingness to serve the Palmetto State in this position!

Addendum to Question 34 of the Senate Personal Data Questionnaire

Question 34 asks for a list of five individuals willing to provide letters of reference. These letters are required by the Senate before they will consider a nomination. It is the responsibility of the nominee to contact and request a letter of reference from each individual and include the letters with the application materials when they are mailed.

Tips and Guidelines for Letters of Reference:

1. *It is required by the Senate that one letter come from your banker.* This requirement is somewhat outdated in that, in an era of ATM's and online banking, a good number of people do not have a direct personal relationship with a bank employee anymore. A letter from a branch manager or account manager stating that the banking relationship is sound and that accounts are in good standing will suffice.

2. *Try to get letters from as many different perspectives as possible.* Avoid requesting letters from the same type of individual. For example, letters from a colleague from work, a pastor or fellow church member, a fellow member of a civic or community organization, and a longtime neighbor would give a well rounded perspective of a nominee's involvement in the community. Letters from a nominee's attorney, insurance agent, doctor, or personal friends are also acceptable— anyone with whom the nominee has a longstanding relationship. It is even better if they are a prominent member of the community.

3. *Letters should be addressed to the South Carolina Senate in the following manner:*

South Carolina Senate
State House
Columbia, South Carolina

Dear Ladies and Gentlemen of the Senate,

4. *Length and content.* Letters should be brief – one page or shorter. Letters should let the Senate know who the author is, the author's relationship with the nominee, how long the author has known the nominee, and any other relevant information necessary to provide a good reference.

5. *Nominees are responsible for collecting letters of reference.* Nominees should ask that letters of reference be mailed or delivered directly to them. Once all letters are collected, they should be mailed to the Governor's Office with the rest of the application materials.

*****Please note: Letters need to be included in your complete application packet, which is returned to the Governor's office. *****

Katie,

Chief Polk and I have reviewed the letter and concur in all points. As a matter of final due diligence, I spoke with the Fire Marshal in the City of Greenville and confirmed that Mr. Godfrey has not suddenly rejoined the department. I also had our Office Manager make a final check of the Division's Fire Portal, and Mr. Godfrey's name is still absent.

Thanks for doing an outstanding job in resolving this issue.

Respectfully,

Ray

Katie: This is something that came up a few weeks ago regarding the Residential Home Builders. I know we discussed it and got Swati's input if memory serves me correct. But the plan I believe was to appoint the public member into a homebuilders slot in the future, meaning the statutory makeup of the board will remain in compliance? Isn't that right? Richele was asking this morning. Thanks and Buzz if easier.

So far as I know, it has not. Mr. Dill's consideration moved forward on Tuesday. Both Katie and Mark Nix were there. Janet, if he is confirmed with the board make-up it currently stands, where will we have a problem – is it the Congressional district coverage or the builder/public member issue, or both?

In locations, we have two major locations in Columbia. We have our main Centerview location that is boards' focused and our fire life safety location with the fire Academy that is huge. We also have five regional offices, but we only pay rent for two of those. We provide training for fire departments and we receive an office in their department in exchange. All of them just house one or two regional fire deputies.

Frank,

I'm pleased to inform you that you have been nominated for reappointment on the South Carolina Residential Builders Commission in a General Public seat (should you choose to decide to give up your active license). I've attached the application documents you will need to complete for your consideration by the Senate. Please complete the paperwork at your earliest convenience and no later than Monday, March 6, if possible.

The first attachment is the Governor's Office application. It is three pages and requires a notarized signature.

The second attachment is the Senate application. It is a total of 8 pages with one additional page of instructions. Please fill out all questions to the best of your ability. If the question does not apply to you, please write N/A or NO rather than leaving the question blank. This application requires that you include 5 letters of recommendation, including one from your bank. Please be sure to write out the names, addresses, and telephone numbers of the individuals who will be submitting letters on your behalf on the 7th page of the application. Also, do not forget to include your place of birth when answering question number 2.

The third attachment is the Senate Confidential Personal Financial Statement. This document is 3 pages long. Please be sure to complete this to the best of your ability and ensure that you sign and date the third page.

The last attachment is the State Ethics Commission Statement of Economic Interest Form. This document includes several pages of detailed instructions, but there are 4 total pages you will need to fill out. Please complete the paper version of this document even if you have filed your SEI online. For the question which asks for Date of Hire or Appointment, please just write 2015.

It would be best if you can scan and email me a copy of the completed forms as well as send the original in the mail to the address listed below in my signature block.

Feel free to call or email me with any questions you have as you go through this process. Thank you for your willingness to continue to serve the Palmetto State in this position!

Addendum to Question 34 of the Senate Personal Data Questionnaire

Question 34 asks for a list of five individuals willing to provide letters of reference. These letters are required by the Senate before they will consider a nomination. It is the responsibility of the nominee to contact and request a letter of reference from each individual and include the letters with the application materials when they are mailed.

Tips and Guidelines for Letters of Reference:

1. *It is required by the Senate that one letter come from your banker.* This requirement is somewhat outdated in that, in an era of ATM's and online banking, a good number of people do not have a direct personal relationship with a bank employee anymore. A letter from a branch manager or account manager stating that the banking relationship is sound and that accounts are in good standing will suffice.

2. *Try to get letters from as many different perspectives as possible.* Avoid requesting letters from the same type of individual. For example, letters from a colleague from work, a pastor or fellow church member, a fellow member of a civic or community organization, and a longtime neighbor would give a well rounded perspective of a nominee's involvement in the community. Letters from a nominee's attorney, insurance agent, doctor, or personal friends are also acceptable— anyone with whom the nominee has a longstanding relationship. It is even better if they are a prominent member of the community.

3. *Letters should be addressed to the South Carolina Senate in the following manner:*

South Carolina Senate
State House
Columbia, South Carolina

Dear Ladies and Gentlemen of the Senate,

4. *Length and content.* Letters should be brief – one page or shorter. Letters should let the Senate know who the author is, the author's relationship with the nominee, how long the author has known the nominee, and any other relevant information necessary to provide a good reference.

5. *Nominees are responsible for collecting letters of reference.* Nominees should ask that letters of reference be mailed or delivered directly to them. Once all letters are collected, they should be mailed to the Governor's Office with the rest of the application materials.

*****Please note: Letters need to be included in your complete application packet, which is returned to the Governor's office. *****

Subject: RE: Constituent Issue
Attachments: Draft Fire Marshall Regulation - 4555.docx

Katie,

This is a very common issue that is a barrier to licensing foster homes in South Carolina. The solve to this problem requires a change in the Fire Marshall Regulation which is currently pending in the legislature. I have attached a draft of the Regulation for your convenience.

I also followed-up with Jackie Lowe, the head of DSS Foster Care Licensing, regarding the Lethco's license. Jackie is aware of the issue and is working on it as we speak.

Please let me know if you need any additional information.

Subject: Constituent Issue

Hi Michelle,

I hope all is well. I received the following email from a constituent and was hoping you can help.

"I'm reaching out to the Governor's office on behalf of my friends Taylor and Ashton Lethco of Summerville, SC. They recently attempted to bring a foster child into their home. Unfortunately, because their home's windows do not meet the current building code, they are not permitted to bring a child out of a group home and into a loving home. They live in a large, safe home in a good neighborhood. There needs to be a change to this requirement that allows foster parents to bring children into their home despite the windows not meeting recent building codes. Live 5 News in Charleston recently ran a story on my friends and this struggle. The influence of the Governor's office could assist in changing this critical issue which prevents families from fostering children in need. Thank you for your time.

- Guy LaCoss"
