**Subject:** Response to Brad Hutto's comments

---

Hey guys!

Hope you're well and got some rest post- State of the State.

Wanted to reach out to you regarding some comments by Sen. Hutto today.

In response to the Governor's ethics statement last night, he said on the floor she needed to "look in the mirror" when it came to income disclosure and ethics reform.

Later, in an interview, he said he applauds the governor's push for ethics reform, but said she was guilty of not disclosing her consultant fees w/ Lexington Med Center and other groups during her time in the House.

Wanted to see if you wanted to respond.

Thanks!
