Mr. Bazen,

I apologize for not replying to this message, I thought that I had. Just to confirm though, the Lieutenant Governor would still like to address the Darlington County Convention Saturday April 22, at 2:00 PM.

Sorry for the confusion and thanks for your help.

Sincerely,

Hayden Grooms

Hayden,

We certainly would be delighted to have the LT. Governor Bryant come speak at our Convention. If he is still interested please put us on his schedule for that day!

Thanks,

Good afternoon,

My name is Hayden Grooms and I am contacting you on behalf of Lieutenant Governor Bryant, regarding the Darlington County Convention. It is my understanding that the convention will be held April 22, and will convene at 2:00. It is my hope that there is still availability for the Lieutenant Governor to address the convention. The Lieutenant Governor wants to take this opportunity to meet with local groups and hear from them about what concerns and issues they feel need to be addressed. He is already booked to address Horry County's convention at 11:30 and we would like to be able to address your convention as well. If this opportunity is available, please feel free to reply anytime via email or phone call. I look forward to hearing from you.

Thank you for your help,

Hayden Grooms
