Governor, Under the Law and the Legal system I am following the US Criminal Code by informing you that You and ALL BAR Temple members in Government and Private Practice are committing Felony Treason against the American Republic under the Nobility Clause in the Original and Still Active 13th Amendment to the Constitution. In the United States, misprision of treason is a federal offense, committed where someone who has knowledge of the commission of any treason against the United States, conceals such knowledge and does not inform the President, a federal judge or State Governor or State judge (18 U.S.C. ss 4 and 18 U.S.C. ss 2382). It is punishable by a fine and up to seven years in federal prison. It is also a crime punishable under the criminal laws of many states.
