Will fishing be allowed at the campground weekend if May 15th? If so does the office sell bait? Or should we plan to bring our own?

**South Carolina State Parks**

Which park?

**Kay Baker**

at 20:40:37 on 5/05/2020 UTC

Sorry. Chester SP.

Yes, absolutely. I'm not sure if they sell bait or not. You might want to call or email the park and check.
