Hey Ms Keke,

South Carolina Student Legislature is a student-run mock legislature. Colleges and universities in the State of South Carolina send delegations to two annual sessions to debate bills and further their knowledge about parliamentary procedure and state government. Delegates, students, will be presenting bills and/or resolutions in hopes that they will pass the mock trial of the General Assembly during our Fall Session. The bills and resolutions will possibly consist of amending state laws, creating state laws, proclamations, etc. The audience will mostly be college students from across the state, and possibly 5 or 6 faculty advisers for the respected college delegations. Our session will be held in the SC Statehouse. We ask that Ms. Veldran speaks in the SC House Chambers on November 1st at 9:00am. We would like for her to talk on the subjects as we discussed.

Thank you again for assisting us. Feel free to let me know if you may need anything else.

Respectfully,

Cody

Dear Mr. Simpson,

Thank you for extending an invitation for Governor Haley to be the Speak at South Carolina Student Legislature's October Session from October 31- November 2, 2013 at the Capitol Building. The Governor appreciates your consideration, however, her schedule regrettably will not permit for her to attend. Would it be appropriate if we offer Katherine Veldran, Director of Legislative Affairs in the Governor's place? Please inform me if this is an option. I have copied Ms. Veldran on this email as well. Best wishes on a successful event.
