**Subject:** 2 questions from a voter

---

I'm a South Carolina voter who is part of a group of citizens that are disseminating information to voters before Tuesday's polls. Can you please send me Kevin's response to two questions:

- 1.) Will you support universal background checks on all gun sales?
- 2.) Will you support limiting the number of rounds in high-capacity magazines to ten?

A simple Yes or No answer is all we're looking for. Many thanks in advance for a reply asap.
