Ms Evans,

Thank you so much! I know you are busy and I appreciate you working on it so quickly. I had a feeling you were just out of minutes, and I am glad we touched base this way.

Ms. Evans,

I am following up with you regarding your son that met with the Governor. I have attempted to call your cell phone, but the number does not go through. I also tried to reach you through Mr. Harper. Please feel free to call my numbers below.

The Governor would like to publish a Go Fund Me Account for your son on her Facebook, Twitter and Instagram. However, I have advised her that we need you to set it up due to the banking information required. If you could please set this up and forward me the link, we will quickly publish it through all of her social media accounts and get the word out there.

If you have any questions or would like to discuss, please do not hesitate to give me a call.
