Subject: RE: SCEIS User Righths

You'll need to check with Tony. It maybe a user training issue or maybe he is trying to access the wrong reports.

Thanks!

Joseph

Subject: RE: SCEIS User Righths

What report is it that he is not authorized to run? I gave him BW and FI Display roles to almost everything I could think of. Please let me know asap.

Thanks,
Sara

Tony can log into SCEIS but is not authorized to run the report.
