The setting is absolutely beautiful. My daughters ceremony was set in amongst the avenue of oak trees and the reception was centered around the fountain, all in all it was a beautiful night! Two issues only, the first was that there are not enough restrooms on the first floor and the second issue was that the septic field was plugged and was bubbling up sewage in the lawn area by the pond. This was disgusting to say the least. Management offered little for a solution or remedy and nothing reimbursed, very disappointing!
