I think it makes sense for them to provide this kind of support. OIG's still a pretty small office and shouldn't burn cash by hiring a dedicated staffer to provide these services.

I would think that we would do this though. Legislation shows it as a part of Sept of Admin D250 shows on SCEIS but belongs to Bruce Burnett at SCEIS so we would need to be given authority

Brenda,

Will your shop continue to do the OIG's accounting, payroll and similar support functions? I see that the OIG is under Section 72 of the FY 13 App Act.

Thanks, Jim
