scstateparks Can you say Paris Mountain Picnic 3x fast? No worries, we couldn't either...but what we can do, is opt to take our lunch to Paris Mountain State Park for a different lunch break scene. 📍 @world\_beyond\_us at 13:56:03 on 11/05/2020 UTC

[bstafford31](#) We love the parks, but noticed that most of the playgrounds are still closed. Please open them so people can decide for themselves whether they want their children to use them or not. Paris Mountain still has its playground roped off. If the counties have opened up the playgrounds, the state parks should as well. I am so glad we have the state parks to enjoy.
