Hi Paul,

I have been speaking to our Comms team this morning, and we are trying to get approval on a title ASAP. Know you are going to print. The suggestions below are great and most helpful.

Will be back in touch.

Hey Paul – I believe that Beth Webb called you about this. The Governor’s office is busy this week through the SC primary day. If you want to suggest another title, please feel free, that may be the fastest way to get something rather than waiting on the Governor’s office.

Thanks,
Debbie

Debbie,

My name is Matt Chambers and I work for the NAM. I handle all speaker logistics for the Board Meetings and look forward to working with you. Please let me know if there's any information you need from me at this time, otherwise it would be great to set up a call maybe next week to discuss some logistics and see what we will need from each other. Please let me know your availability next week and we can move forward from there.

Best,

Hi Paul,

Debbie Moise at our Department of Commerce will actually handle the run of show and event logistics with Matt, and we can provide a bio and photo. The communication team at Commerce works on initial talking points, then our office develops them further.

You can always come to me with any questions/concerns as well.

Thanks again,
Beth

Hi Paul,

We are planning for Gov. Haley to attend. She will aim to arrive at the Ritz-Carlton on Tuesday at 11:45 AM and will plan to stay until 1:30 PM. We will work with law enforcement there to coordinate her travel from the airport to the hotel, but will you provide a point of contact for our security detail to coordinate with? They will need to do a walk-through of the site prior to her arrival.

Thank you again for the kind invitation, as I know she is looking forward to speaking to the group. Please let me know if you need any additional information.

Best,
Beth

Beth,

A quick check in to see if I can answer any additional questions.

Of course excited to have the Governor speak with the NAM Board of Directors and on the logistics side would like to get to work on the details so we create an awesome experience for her.

Glad to know the media and Presidential candidates are out of my home state of NH and in SC.
