Debbie, thanks for contacting us. Would LG Bryant have an opportunity to speak?

Hi Hank – Below is the invitation that was sent to the governor's office. He was planning to attend, but today he had to cancel due to a scheduling conflict. If the Lt. Governor is available you can let me know and I will respond to Ashley.

Thanks,

Debbie Moise

Invitation to SOUTH-TEC 2017 Ribbon Cutting

We would love Governor McMaster and Lt. Governor Bryant to lead the ribbon cutting ceremony and give a short speech before we kick off SOUTH-TEC 2017, October 24 at the TD Convention Center in Greenville. SOUTH-TEC is one of the largest manufacturing events in the U.S., where manufacturing ideas, processes and products that make an impact in the southeast region are highlighted through exhibits, education and networking events. The event offers attendees a unique chance to connect with resources that can solve their company's most pressing problems, improve productivity and increase profits.

Governor McMaster could kick off SOUTH-TEC by discussing the state of manufacturing in South Carolina, especially in terms of jobs and workforce development. We're open to all ideas.
