They should be good with their badges and advance work, but I will reconnect with Jeremy to be sure. I think he was planning on advancing this morning. At Gate 1, they should just let you drive right through.

SLED Jeremy called a few minutes ago, and I sent him information re: tomorrow. I have also attached talking points to this e-mail for the LG (same file... in both MS Word and PDF formats). The flow of events tomorrow remains unchanged:

- Teresa Arnold (AARP) will introduce the LG
- LG speaks
- Cyberwoven speaks
- Ribbon cutting
- Media Q&A, if applicable

Please let me know if you need anything else.
