Thanks... we haven't reached out to either (yet), so just want to make sure we give them enough advanced notice to have enough staff on hand for a tour, etc.

I checked with the Catawba AAA and the York County Council on Aging to see if there was anything of interest happening on Friday in the area. There was not.

They suggested visiting either of the places below (York County does not have any NHC facilities). Let me know if either is of interest, and we will proceed with scheduling a time for the LG to visit them around 3:00p.
