Subject: FW: 11/2: Latest issue of SC Statehouse Report

Attachments: SC Statehouse report 11.2.doc

Attached is a slanted (not surprising given the source) account of our first meeting with the legislative committee that appeared in the subscription-only Statehouse Report. Of course, the article fails to mention that around 7 (with some halves included) of the 16 proposals that were covered in the first meeting either have or are scheduled to be implemented by the Board. Regardless, their account is attached.

I am going to be able to duck out of my Sticky Fingers board meeting early so will be at the meeting on the 14th which is currently scheduled for November 14th at 1:30 in Room 308 - Gressette Building.
