**Subject : FW: Resolution against Syrian and middle eastern refugees**

Dear Governor Haley,

Please see the email below to Spartanburg County Council that expresses additional concerns from our citizens about the South Carolina refugee resettlement program. It is County Council's understanding that you have the sole authority over the State's participation in the federal refugee resettlement program. As I shared in my phone message to you, County Council is concerned about the safety of our citizens. It would be helpful to me to speak with you on behalf of County Council to have a better understanding of the current status of the State's program.

Your assistance with providing a response to this citizen's concerns is greatly appreciated.

Sincerely,

Jeffrey A. Horton, Chairman  
Spartanburg County Council

Subject: Resolution against Syrian and middle eastern refugees

Please vote a Resolution against Syrian and middle eastern refugees. There is no way to properly screen these individuals and keep our community safe. We don't want a Paris incident in the upstate. Is it worth gambling the lives of your family?
