Subject: GOVERNOR HALEY'S WRITTEN STATEMENT FOR HOMELESS IN THE SOUTH DOCUMENTARY

Hi Cheney,

We hope your week has gone well thus far. Our staff wanted to follow up regarding Gov. Haley's statement to include in the film documentary by the end of this week. We have scheduled an interview with Mayor White's office in Greenville, and have received a written statement from Senator Tim Scott, so Gov. Haley's statement, along with the others, will help provide a complete outlook from public servants on the local, state and federal level.

We truly appreciate Governor Haley's consideration of this project. Thanks again!

Faithfully,
