Subject: Phone Call w/ Caregiver Wanting to Meet with LG

Hey Darryl,

I hate to bother you again but I wanted to let you know that I just received a phone call from a Linda McPherson from Manning, SC. She called the Office on Aging saying she wanted to schedule an appointment with the LG to talk about issues she's facing as a caregiver and someone transferred her over to my phone to schedule an appointment. She would not tell me any specifics, just that she takes care of a veteran and they have both been targeted. She also said the LG has no idea what's happening to seniors out there and that he needs to know the information she has because he's a good man. She wants to come to the State House to meet with him. Danny told me to send over this info to you. Her number is 803-505-1099. Is there anything I can do to help?

Thanks!
Tori Beth
