Let's go camping! Tent. Check. Sleeping bag. Check. Bear bag. Huh?

Even if you don't camp in bear country, you could still have a better camping experience by following some simple "bear-proofing" practices. Join the Charles Towne Landing Animal Forest keepers on Saturday, May 31 at 2 p.m. to learn how to make your campsite less attractive to wildlife like raccoon and bears. But don't take our word for it; our bears will demonstrate what happens when you don't follow good camping practices! Remember, Saturday, May 31 at 2 p.m. at Charles Towne Landing!

**Mina Harrington** LOL -- not to mention the raccoons!! They taught me a WHOLE LOT!!

**Lloyd Mitchell** If you are in a sleeping bag the bears consider you to be a "Twinkie". ;)
