It has not reopened. This is the most recent information that we are giving customers: All campsite reservations for Hunting Island are cancelled and refunded through Sunday, May 21, 2017. Oceanside campsite reservations will be cancelled and refunded through Sunday, December 31, 2017. All areas of the park, except the Nature Center and a small portion of the pier, are currently closed. The Nature Center is staffed from 9 a.m. to 5 p.m. each day and provides basic information about the park and its recovery.
