Katherine,

Thanks you so much for speaking to the Peer Leader Banquet last week – the students really enjoyed it, you delivered a powerful message, and I know our student leaders all take even greater pride in being a Carolinian and a peer leader because of the message you shared.

And as importantly, they realize and can justify the many hours they contribute to the welfare of their fellow students, because you shared so eloquently the role your involvement played in preparing you for the very demanding and complex work you now have in the Governor's Office.

Well done!

We will have to use you again!

Have a great Thanksgiving , I hope you find some time for yourself—you deserve the break!!!

KIT!

Dennis
