Dear Katherine,

I just wanted to let you know that I haven't forgotten about contacting you in follow up to the Columbia Out of the Darkness Community Walk. I am well aware that this is a busy time for your office considering the election tomorrow. We are still in wrap up here from the Columbia walk plus preparing for the final one this fall on November 15 in Aiken.

I look forward to connecting soon to schedule a date.

With our sincere appreciation to Governor Haley and to you for the tremendous support to suicide prevention and to this year's Columbia walk! Governor Haley's remarks were on the mark and very well done.

Sincerely, Helen
