I'm fine with it - it looks like the grant is down to almost a third of what it has been traditionally.

Mining GrantChristian –Attached is some information on the Mining Grant that the Governor has
designated Technical College of the Lowcountry as the recipient. These funds have dwindled and it is
a lot to administer and do the recordkeeping for this grant.Would it possible to designate this to the
State Board and then we can distribute the funds to the colleges that have mining programs and we
can administer and do the reporting etc?Let me know your thoughts as I think it is almost time for
TCL to sign their new agreement.Thanks –Mandy[cid:image008.jpg@01CE158E.
