Governor Nikki Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley,

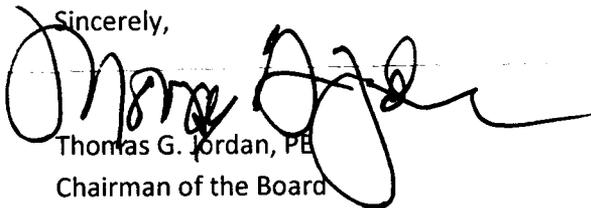

The American Council of Engineering Companies of South Carolina (ACEC-SC) endorses the appointment of D. Mack Kelly, Jr., PE, PLS, CFM, to be appointed to the South Carolina Board of Registration for Engineers and Surveyors.

Mr. Kelly is a registered both as a Surveyor and Engineer and will serve both licenses as a member of the Registration Board. He is a public employee which will give a different perspective on the board and make it more diversified. Having worked with Kelly on projects I know he brings a level of professionalism that will serve this board well. ACEC-SC is a member of the South Carolina Society of Engineering and Surveying Societies (SCESS), and we therefore, support its decision to nominate Mr. Kelly.

With the fulfilling the duties given to SCESS by the legislature, and after interviewing several candidates, the council and ACEC-SC decided that Kelly is the most qualified applicant to fill the open seat on the Board.

If there is anything we can do to assist you in making these appointments please let us know.

Sincerely,

Thomas G. Jordan, PE
Chairman of the Board
ACEC-SC
