Subject: BlueCross BlueShield of SC Medicare Advantage

Good Afternoon Ms. Waller,

Thank you so much for talking with me on the phone.

Our regional CMS representative has requested that we provide the State Health Insurance Program (SHIP) controlled by your office any changes to our Medicare Advantage plans for the 2015 calendar year. Please find the attached documents detailing these changes and providing an operations contact from our Medicare Advantage group.

If you have any questions about these documents, please give me a call or an email and I will make sure we get back to you in a timely manner.

Best regards,

John Bloom
