M I N U T E S

A CALLED MEETING OF THE ANDERSON COUNTY COUNCIL WAS HELD ON JANUARY 15, 1985 AT 7:00 P.M. IN THE COUNCIL CHAMBERS. CHAIRMAN DAN RHODES PRESIDED.

PRESENT

Jimmy Cox, District #1
David L. Hooper, District #2
Robert L. Wiles, District #3
Chairman Dan Rhodes, District #4
Harold E. Beebe, District #5
Joseph G. Wright, III, Attorney
David Watson, Administrator
Rusty Burns, Asst. Administrator

Mr. Rhodes called the meeting to order and Councilman David Hooper gave the invocation. Everyone stood and pledged allegiance to the flag.

On the motion of Mr. Wiles, seconded by Mr. Cox, Council voted unanimously to approve the minutes from the December 27, 1984 and January 2, 1985 meetings as mailed.

Mr. Wright asked Council for approval of a resolution (#255) authorizing the block grant application of the County of Anderson on behalf of Rebuilders & Fabricators, Inc. to the S.C. Jobs-Economic Development Authority administered by the Office of the Governor of South Carolina. Mr. Hooper moved that Resolution #255 be approved. Mr. Beebe seconded. Vote was unanimous.

Mr. Billy Epps spoke with Council regarding the Nuisance Ordinance (#156). He stated that the ordinance already is preempted by state law and that it would make the Council a law-enforcement body rather than a rule-making body; therefore, he urged Council to repeal the ordinance in its entirety. Mr. Rhodes moved that the ordinance be amended by deleting section 6: Injunctive Relief. This would be first reading of Ordinance #160 amending the original ordinance #156. Mr. Cox seconded the motion. Vote was four (4) in favor (Rhodes, Cox, Hooper, Beebe) with one (1) against (Wiles).

Mr. Wright presented a Resolution & Petition (#256) for Piedmont-Anderson-Warehouse, Inc. for Council's consideration. Mr. Hooper moved that the Council approve the resolution. Mr. Cox seconded. Vote was 5-0.

Mr. Watson reported that the County Engineer had provided a road maintenance activity report for Council's information.

Mr. Watson said that signing the proposal with Russell & Axon for engineering work on the FAA Flight Service Center was agreeable with all parties involved. Mr. Wiles moved that the proposal be signed. Mr. Hooper seconded. Vote was unanimous.

Council heard from concerned citizens at this time.

Chairman Rhodes asked that Mr. Beebe be removed from a committee to study the Election Commission and place Mr. Wiles on that committee. He then appointed another two-man committee to look into the Stockade. This committee would consist of Mr. Hooper and Mr. Beebe. He asked that they get with the Administrator on the problem.

On the motion of Mr. Wiles, seconded by Mr. Hooper, Council voted unanimously to adjourn at 7:56 p.m.

Respectfully submitted,

Linda
