# Smart Cities Now

## *A recap of April's top news and resources...*

### 10 most-read articles

1. 3 things you need to do to attract millennials (your job market depends on it)
2. 4 great connectivity approaches from 4 great cities
3. 4 proven steps to save water and money (Atlanta and DC are using them already)
4. How connected is YOUR smart city? (Yes. It matters)
5. Shopping for smart street lighting for your city? You've got another great option
6. Does your city need better quality water? Here's one (and maybe cheaper) way to do it
7. America's biggest winners and losers (and what you can learn from them)
8. Why choose renewable energy? Because it's often CHEAPER (no really)
9. Success in Sweden: A holistic approach to water and energy
10. Floods are killing people. More are coming. Here's how to prepare.

### 5 hot resources

1. Smart Water Technology - Creating the Cities of
