Offering the keys to healthy aging & benefits

Pennsylvania seniors are learning how to stay healthy, access preventive services, and get help paying for Medicare thanks to workshops supported by APPRISE, the state's SHIP.

Webinar: Using NCOA's visualization tools

The Center has several mapping tools that can help you identify where there may be pockets of low-income Medicare beneficiaries missing out on benefits. We also have several tools that highlight enrollment trends in core programs. Join us on June 29 for a webinar that walks through the different visualization tools, and how they may be useful for your outreach activities.

Medicare Advantage: Discover the pros and cons

Many of your new-to-Medicare clients may be wondering whether it's better to join a Medicare Advantage plan or pick up Original Medicare with a supplement. A new blog post from My Medicare Matters® offers a consumer-friendly explanation of some key

considerations for determining whether an MA plan is right for your clients' situations.

We're hiring!

NCOA is looking for candidates for several open positions, including a Senior Specialist, Data Analysis and Evaluation working with the Center for Benefits, and a Senior Vice President for Economic Security.

Find out how to apply

Participate...

- **Disability benefits Facebook Q&A**, June 9, 2-4 p.m. ET. Have questions about disability benefits or assistance? Benefits.gov is hosting a live Facebook Q&A to make sure you get answers! Sign up by choosing the "Going" option under the image in the Facebook event.

Did you miss this?

- **Find people potentially eligible for LIS & MSP**: Our new zip code map shows where Social Security sent letters to people who may be able to receive these benefits.
- **MSPs: Which states have raised/eliminated income and asset thresholds?** Learn which states have exercised flexibility by increasing income thresholds, increasing asset limits, or eliminating the asset test for Medicare Savings Programs.
- **Call for collaboration**: NASUAD and NCOA are seeking to collaborate with disability groups to spread the word about LIS & MSP.
