

THE  
OAK  
INITIATIVE\*

Fort Mill Chapter, South Carolina

July 2016

Honorable Governor Nikki Haley  
Office of the Governor  
1205 Pendleton  
Columbia, SC 29201

Dear Governor Nikki Haley,

We represent The Oak Initiative Chapter of Fort Mill, South Carolina. The Oak Initiative is an organization whose purpose is to unite, mobilize and equip citizens to make a difference in our government. We strongly urge you to read the enclosed book, *Raising a Jihadi Generation: Understanding the Muslim Brotherhood Movement in America*, by John Guandolo.

This book was written with the intent of explaining in concise and factual terms the threat the United States and the west in general faces from the global Islamic movement. The research in the book is thorough and fact based. It presents information for local and state law enforcement and intelligence officials that is critical to identifying, understanding and thwarting threats.

About the author:

- Served as FBI liaison to U.S. Capitol police investigating threats on the President, Vice President, Congress and other high level officials
- Created and implemented the FBI's first counter-terrorism training /education program
- Designated a "subject matter expert" by FBI headquarters

Islam defines itself as a complete way of life – social, cultural, religious, military, and political – governed by Islamic Law (Sharia). Islamic Law is real law which governs all affairs of Muslims and is not compatible with our U.S. Constitution. If the religious component could be separated out it would be a religious rights issue, but it cannot. The meaning of the word *Islam* is "submission." When an individual wants to submit/worship Allah, their rights should be protected. BUT the stated goal in the Koran is to bring all under its submission and control – forcibly, if necessary, through Jihad.

Your responsibility as our elected official is to be educated and informed about threats to the U.S. Constitution and to protect it at all costs. Thank you for your service to the citizens of South Carolina.

Respectfully yours,

The Oak Initiative – Fort Mill Chapter
