Dear Team,

Congratulations on winning the 3A State Championship! It's a great day in South Carolina when we can celebrate our students who are working hard and bringing positive recognition to their schools and communities. You have shown that you have the self-discipline, determination, and commitment to excellence needed to succeed, and those valuable traits will continue to serve you well in the future.

Michael and I are pleased to join your family, friends, and fellow Mustangs in recognizing your awesome achievement. Congratulations again, and keep up the good work! God bless.

My very best,

  
Nikki R. Haley
