Hello Christian,

I should be at my desk by 2:30 and will be here until about 5 when I must leave for a meeting out of the building.

I can be reached at 864-298-4321. If the call goes to voice mail during that time, that means someone else has my ear for a few minutes.

Thanks

Beth

Beth, Christian. Christian, Beth.

Hope everyone is well.

Wanted to set up a background call - not for attribution to Christian or the governor's office - to

discuss the cyber security bill.

Beth said that anytime after 230 PM today works for her. Christian, what time works for you?

Beth, can Christian call you at your desk? Let us know the best number at which to reach you.
