Timetable should be similar to last year - still working out kinks with new budget module. We'll give you clearer dates when we have them.

Trey,  
Can you find out when the Governors office will send out the package to request our FY15 info? Need to plan to get this done around the system conversion for fee payment. The date of the package and due date would really help. Typically it is late August or early September.  
Thanks
