Dear Lieutenant Governor Bryant,

Thank you for your visit to the American Legion for the Berkeley County Republican breakfast. It was informative and refreshing to actually have someone to express our thoughts and feelings to.

Straight up, I'm the FSU fan at the juice bar.

One of my questions was on the letter sent by the Governor to the Joint Committee on Pension Review.

I would like to send you the response by the SCEA. This is an important issue for me and thousands others. Please read and look into this for us.
