Awesome! Can we just put it as another link under the Emergency Preparedness tab and can we name it "South Carolina Emergency Management Division"

Yes. Just let me know what you would like me to title the link and where you want it posted. Would this be for public or private viewing / access?

Hi!

I have a quick question - is there a way to upload documents onto the official LG website so I can have a link that would go directly to an online PDF (but the url address would be for our website?)

Thanks!
Tori Beth

Tori,

It was nice meeting you today. I have attached the slides we used for today's briefing. I will follow up with the disaster cost data request early next week.

Kim
