Adult Mental Health First Aid

Adult Mental Health First Aid is an 8-hour course that helps the public identify, understand and respond to signs of mental illnesses and substance use disorders. Just as CPR training helps a layperson without medical training assist an individual following a heart attack, Adult Mental Health First Aid training helps a layperson assist someone experiencing a mental health crisis. After completion of the entire course, participants will be certified as a Mental Health First Aider.

Take this training for \$15 using promotional code SCTMHFA2015.

SC Thrive Military & Veteran Benefit Counselor Training

Learn how to use SC Thrive's Application Completion Tool to help military members, veterans and their families access benefits they earn because of their military service. Complete forms to obtain benefits for college, other post-secondary education, home loans, and home adaptations and to request service records such as a DD-214.

SC Thrive Benefit

Counselor Training

Our Application Completion Tool gives people more access to resources that improve the financial, health and household stability of South Carolina families by using web-based technology. This training certifies individuals to use the Application Completion Tool to assist their clients in applying for state & federal benefits.
