Yes, Chris will send over the proof shortly (he is finishing up a project quickly).

I will try to send over a proof of the lanyard for you tonight as well.

Thanks, Monica

Do you think I will receive the lanyard proof tonight? Is that possible - I have RBC ready to approve and they are off on Friday.

Do you think I can receive the Welcome Banner proof tonight to have them sign off on this as well?

Thanks, Katherine

sure - 3.25 wide by 4.5 high - pouch size.

Let's do a quote with a pouch as well - just in case.

Correct, I don't think you need to have the pouch at all, just the clip at the end of the lanyard. If you can request the badge without the clip it will save you the time of removing them to put on the lanyards as well.

Attached is an old picture of a badge. They come with the plastic hook and sliver clip - so maybe I don't need it?

I am getting you the measurements asap.
