Thanks to our long-time friends and partners at Fluor in Greenville. The company donated money and volunteers for a great boardwalk project at Paris Mountain State Park. The boardwalk project is going to help navigate a difficult section of trail at the park. Thanks again, Fluor!

**Patty Reed** I think its not as "difficult" as it is just a soft perpetually muddy/swampy section that's being fixed. This just helps get beyond it to drier more stable areas for the rest of the hike.

**Rachel Joseph Edwards** It's fabulous and smells good too! Thanks to all! 😊 (Don't throw trash on the trails! 😞 Don't pick the flowers. 😊)
