Dear Sir,

U  
ndocumented  
immigrants  
do  
receive  
benefits  
such  
as  
educational  
funding  
at  
the  
K  
-  
12  
level  
,  
but  
they  
do  
not  
qualify  
for  
most  
public  
assistance  
benefits  
that  
residents  
and  
citizens  
do  
.  
Also  
,  
undocumented  
immigrants  
pay

substantial  
taxes

.

.

All  
immigrants  
regardless  
of  
their  
status  
have  
to  
pay  
sales  
taxes

.

Undocumented  
immigrants  
also  
have  
to  
pay  
property  
taxes  
either  
through  
property  
they  
directly  
own  
such  
as  
a  
car  
or  
a  
house

,

or  
if  
they  
are  
renting  
they  
will  
be  
paying  
this  
property

tax  
indirectly  
through  
their  
rent  
.

The  
reality  
is  
that  
many  
undocumented  
immigrants  
also  
pay  
income  
taxes  
.

It  
would  
be  
decent  
and  
fair  
and  
humane  
of  
you  
,  
if  
you  
would  
clear  
up  
this  
muddled  
belief  
.

Thank  
you
