(2013-01-07) Blue Line Amendment (v02).doc

Katherine,

I'm attaching a handful of documents relating to the constitutional amendment proposal for a reduction veto (the "Blue Line" amendment). The PDFs are (1) the page from the FY 2013-14 Executive Budget that summarizes the argument and (2) the two slides from my background briefing for the FY 2013-14 Executive Budget. The Word document is the proposed text itself.

Also, you asked what the House of Representatives did in the budget for both the Arts Commission and the Sea Grant Consortium. In both cases, they maintained funding at the current-year levels and left the proviso language as it already is. Thanks.
