Kenneth Lund Beautiful! I saw a pic a week ago from East TN and they were peaking late October, but I figured I'd wait until early Nov before going to Table Rock. Since fall "really" arrived about Oct 25th in the Carolina's, it should be about peak now. It already snowed in the NC ski resorts Nov 4th!

Jenny Price McCaffrey If the parking lot at Jones Gap State Park is entirely reserved for the day, are there any other places to park nearby?
