Christian,

It was really a pleasure meeting you at RGA and having the chance to have lunch at the opening reception. Sorry to talk all of your ears off about our retail center. :-)

Just wanted to make contact via email and offer ourselves as a resource on all things Hep C and HIV as you work through those issues. I now Ted Riley has a good line of communication with you all, so we won't interfere with that. But just wanted to connect.

Have a great weekend.

Ken
