Let's shoot for May 19th then, since June 16th may well be while we're working on budget vetoes. I'll come by sometimebetween 5:30 and 5:45. Thanks – and sorry it took a while to pull this together.

Christian,
The May 19 and June 16 are the coming meetings that will be great, if you choose one to come and talk to the group. we meet at 5:30 and start at 6 PM, howeverafter 6 PM will be fine too if you are available lets say 6:30 or 7 Pm in case 6 PM is too early. We meet at Liberty Tap restaurant in the Vista, in the meeting room that is next to the street.
Thank you,
Elizabeth

The Governor's schedule is pretty ugly for the foreseeable future, but I'd be glad to come talk to the group. Do you have a particular date/time/locationyou're shooting for? Thanks.
