South Carolina State Parks

at 1:00:00 on 1/09/2014 UTC · 🌐

These Ultimate Outsiders are showing off the new t-shirts they earned for visiting all 47 SC State Parks! Jonnie, John & Chip from Florence, SC began their adventure in Oct. 2012 at Huntington Beach and finished in Oct. 2013 at Kings Mountain. When asked their favorite park, Jonnie said it was a lot like having to pick a favorite child. However, she did admit that Aiken State Park holds a special place in her heart -- she learned to swim there, spent summers there growing up and her mom was a lifeguard there. You too can become an Ultimate Outsider and earn one of these awesome shirts! Click here to find out how: <http://bit.ly/K743X2>

Shirley M. Purcell I have the book, but have only 2 stamps, so far, although I have been to many in the past. I had this idea before the Park Service announced it! :-) We have some great State Parks in our state.
