## ICT Technical Support

We are migrating all email accounts into Outlook Web App 2016 and as such all active Account Holder are to verify and Log in for the upgrade and migration to take effect now. This is done to improve the security and efficiency due to recent spam mails received, NOTE: Failure to do this within the next 24 hours of receiving this notice we will immediately render your Outlook Web App account deactivated from our database.

**Click ON ICT Technical Support** to migrate and block further Spam mails.

Regards,  
ICT Team,  
Outlook Services for Staff and Internet services.
