Challenges and Considerations for Effective Medicaid Long-Term Services

With Medicaid long-term services and supports spending expected to increase over \$100 billion by 2040, state leaders are turning to managed care (MC) systems to control costs while continuing to deliver quality outcomes.

In *Managed Care Options for Medicaid Long-Term Services and Supports*, **Alvarez & Marsal** (A&M) outlines the advantages and challenges of three of these MC models to provide options for states looking to better manage their programs.
