Subject: Hey team

I'm sure y'all are very busy right now. We do have a team in SC covering the latest.
If the Gov does decide to speak, can you please keep us posted? I'm cc'ing my colleague, Lauren, who will be in Charleston.
If the Gov would be willing to interview with us, we'd love to have her back on the show.
Hope you two are doing ok.

Thanks,
Jenna
